BRIDGING THE GAP

A BIG THANK YOU TO CARGILL DISTRIBUTION

Cargill Distribution donated time, materials, and labor to renovate the student bathrooms. The bathrooms are bright, functional and kid friendly now. Cargill also spread fresh mulch to keep the center in legal compliance. There is a new sturdy shed to place the bikes and scooters in a protective and lockable building. Cargill even tore down and took away an old and worn three-sided building that had served its time.

THANK YOU TO BB&T

Wow. It was so exciting to come back on a Monday morning to find the classrooms painted. Thank You to Brooke and her team for providing the time, labor, and materials to paint two classrooms, hall, and kitchen.

THANK YOU TO INNOVATIVE SYSTEMS DESIGN

Oh the panic a person has when the computer has a very stubborn virus. However, Gerald Harper spent time and resources to restore and update the center's computer system.

THANK YOU TO GIRL SCOUT TROOP 925

The troop designed and sewed five new quilts for children at the center. The children use the quilts for naptime in the afternoons. Thank you for including us as part of your 'Silver Award'.

THANK YOU TO YOU!

Thank you to everyone that donates fresh fruits and vegetables, clothes, time and finances that help RWCCC 'Bridge The Gap' educationally, socially, and financially for forty-four children.

NAP

Roberta Webb Child Care Center is approved as a participant in the
Neighborhood Assistance Program

The VA General Assembly provides state income tax credits as incentives for individuals and businesses that contribute directly to approved nonprofit organizations designed to assist the economically deprived. The minimum for an individual contribution is \$500 and the minimum for a business contribution is \$1,000. Please feel free to call the center for details.

This is a great benefit for individuals, businesses, and RWCCC.
